SSAA/SATB choral, a cappella
(4:35 min)

words & music **Kirsten Duncan**

A rhythmic, chant-based song calling for action on climate change. Arranged for either mixed or unbroken voices.

Dedicated to A Chorus of Women (Canberra) raising funds for the Climate Council of Australia, with acknowledgements to Tim Flannery.

Low voices

Hum ha na hey na hey__ na high yee Hum ha na hey na hey__ na no

4

Hey ha na

Hum ha na hey na hey__ na high yee Hum ha na hey na hey__ na no Hum ha na hey na hey

9

hey ya na na Hey ha__ hey na no Hey ha na hey ya na na

__ na high yee Hum ha na hey na hey__ na no Hum ha na hey na hey__ na high yee

14

Hey ha__ hey na no

Hum ha na hey na hey__ na no We are, we are the wea - ther ma - kers:

38

pla-stics, me-di-cines, fer-ti-li-sers, tar: the pro-ducts of coal are ma-ny and real.

Hum ha na hey na hey__ na high yee Hum ha na hey na hey__ na no

42

Hey ha na hey ya na na Hey ha__ hey na no Hey ha na hey ya na na

Hey ha__ hey na no Hey ha na hey ya na na

48

It seemed so cheap and be - ne - fi - cial,

Hey ha__ hey na no Hey ha na hey ya na na

52

but for de-cades we've known__ the true cost: wide-spread po - llu - tion and

Hey ha__ hey na no Hey ha na

55

de - gra-da-tion, our green-house at - mo-sphere is ge-tting too hot. Gla - ci-ers mel - ting,

hey ya na na Hey ha__ hey na no Hum ha na hey na hey

77

ti-cians to lead. So get up, take ac-tion: it's in our po-wer to end the di-the-ring and

ti-cians to lead. So get up, take ac-tion: it's in our po-wer to end the di-the-ring and

81

reign in the change. Pla-net sha-pers, wea-ther ma-kers, cre-ate an at - mo - sphere

reign in the change. Pla-net sha-pers, wea-ther ma-kers, cre-ate an at - mo - sphere

85

— of hope. Land, sea, sky: — con-serve
